

DESIGN, DEVELOPMENT AND SHAPE THE PRODUCT

As a co-founder, I had the great experience to understand how the products are build and to understand what are the users expect.

STATS

Annapurna region is one of the most well-known trekking areas not just for trekkers in Nepal but for the trekkers all around the globe. Among all, Annapurna Base Camp Trek is considered as moderate and most rewarding trek which is suitable for anyone who has medium level of physical fitness.

MODERATE DIFICULTY

TREKKING
